

## Murata Power Solutions

Further strengthening our position as the World's #1 supplier of DC/DC converters, we are excited to announce several new products. To help you quickly locate and further evaluate our newest products, we have supplied the specific URLs for the data sheets. To receive New Product Announcements, sign up today for our e-specifier newsletter at [www.murata-ps.com/newsletter](http://www.murata-ps.com/newsletter).

The new breed of DC/DCs

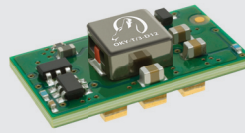

[www.murata-ps.com/okami](http://www.murata-ps.com/okami)

3A and 5A SMT iLGA

OKL Series

3A and 5A SMT

OKY-T/3, T/5 Series

6A and 10A SIP

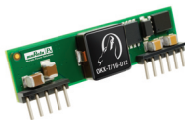

OKR-T/6, T/10 Series

10A and 16A SMT

OKY-T/10, T/16 Series

10A and 16A SIP

OKX Series

3A SIP

OKR Series

3A SMT

OKI-T/3 Series

1.5A SIP

OKI-78SR Series

15W isolated, wide input

UEI15 Series

[www.murata-ps.com/uei15-series](http://www.murata-ps.com/uei15-series)

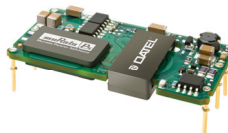

25W isolated, wide input

UEI25 Series

[www.murata-ps.com/uei25-series](http://www.murata-ps.com/uei25-series)

30W isolated, wide input

UEI30 Series

[www.murata-ps.com/uei30-series](http://www.murata-ps.com/uei30-series)

60W isolated, wide input

UEI Series

[www.murata-ps.com/uei-series](http://www.murata-ps.com/uei-series)

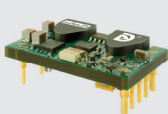

15W bipolar, wide input

BEI15 Series

[www.murata-ps.com/bei15-series](http://www.murata-ps.com/bei15-series)

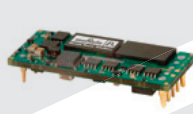

1/16 Brick - 66W

ULS Series

[www.murata-ps.com/uls-series](http://www.murata-ps.com/uls-series)

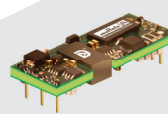

1/8 Brick - 100W

UCE Series

[www.murata-ps.com/uce-series](http://www.murata-ps.com/uce-series)

1/8 Brick - 75W

UWE Series

[www.murata-ps.com/uwe-series](http://www.murata-ps.com/uwe-series)

1/4 Brick - 36-125W

UCQ Series

[www.murata-ps.com/ucq-series](http://www.murata-ps.com/ucq-series)

Ultra-high power 1/4 Brick

HPQ Series

[www.murata-ps.com/hpq-series](http://www.murata-ps.com/hpq-series)

High power 1/4 Brick

HPQ-12 Series

[www.murata-ps.com/hpq-12-series](http://www.murata-ps.com/hpq-12-series)

High power 1/2 Brick

HPH Series

[www.murata-ps.com/hph-series](http://www.murata-ps.com/hph-series)

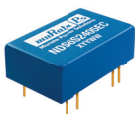

1/2 Brick - 50-150W

UCH Series

[www.murata-ps.com/uch-series](http://www.murata-ps.com/uch-series)

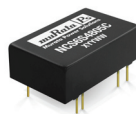

6W, 2:1 input voltage range

NDS6 Series

[www.murata-ps.com/nds6-series](http://www.murata-ps.com/nds6-series)

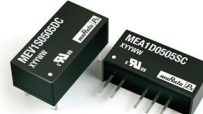

6W, 4:1 input voltage range

NCS6 Series

[www.murata-ps.com/ncs6-series](http://www.murata-ps.com/ncs6-series)

1W, SIP 7, high efficiency

MEA/MEV Series

[www.murata-ps.com/mea-series](http://www.murata-ps.com/mea-series) • /mev-series

1W, SIP 7 High Efficiency

MER1 Series

[www.murata-ps.com/mer1-series](http://www.murata-ps.com/mer1-series)

1W, wide input, SMT

NTF Series

[www.murata-ps.com/ntf-series](http://www.murata-ps.com/ntf-series)

2W Single & Dual 3kVDC

NMK Series

[www.murata-ps.com/nmk-series](http://www.murata-ps.com/nmk-series)

2W, single output

NMG Series

[www.murata-ps.com/nmg-series](http://www.murata-ps.com/nmg-series)

3W, SIP 7 3kVDC

MEV3 Series

[www.murata-ps.com/mev3-series](http://www.murata-ps.com/mev3-series)

1W, single output

MTU1 Series

[www.murata-ps.com/mtu](http://www.murata-ps.com/mtu)
